WITTEK
Committed To Serving The Game.
Since 1946

June, 2011

To our valuable clients and friends,

As we begin our 65th year my son Robert Wittek Jr. and I Robert Wittek Sr. will continue the legacy of my parents. Wittek Golf is the leader in the industry and the choice of golf professionals and superintendents around the world.

We appreciate the opportunity to serve you. Your patronage is and will continually be our most valuable asset. Please be assured we will continually strive to earn your confidence.

Special thanks to PGA Golf Club, PGA of America and the GCSAA.

Sincerely,

Robert Wittek Sr.

Robert Wittek Jr.

P.S. If you're looking for a product that cannot be found within the pages of this catalog, or if you have a unique or custom request, just ask us. We'll do our very best to satisfy your every need.

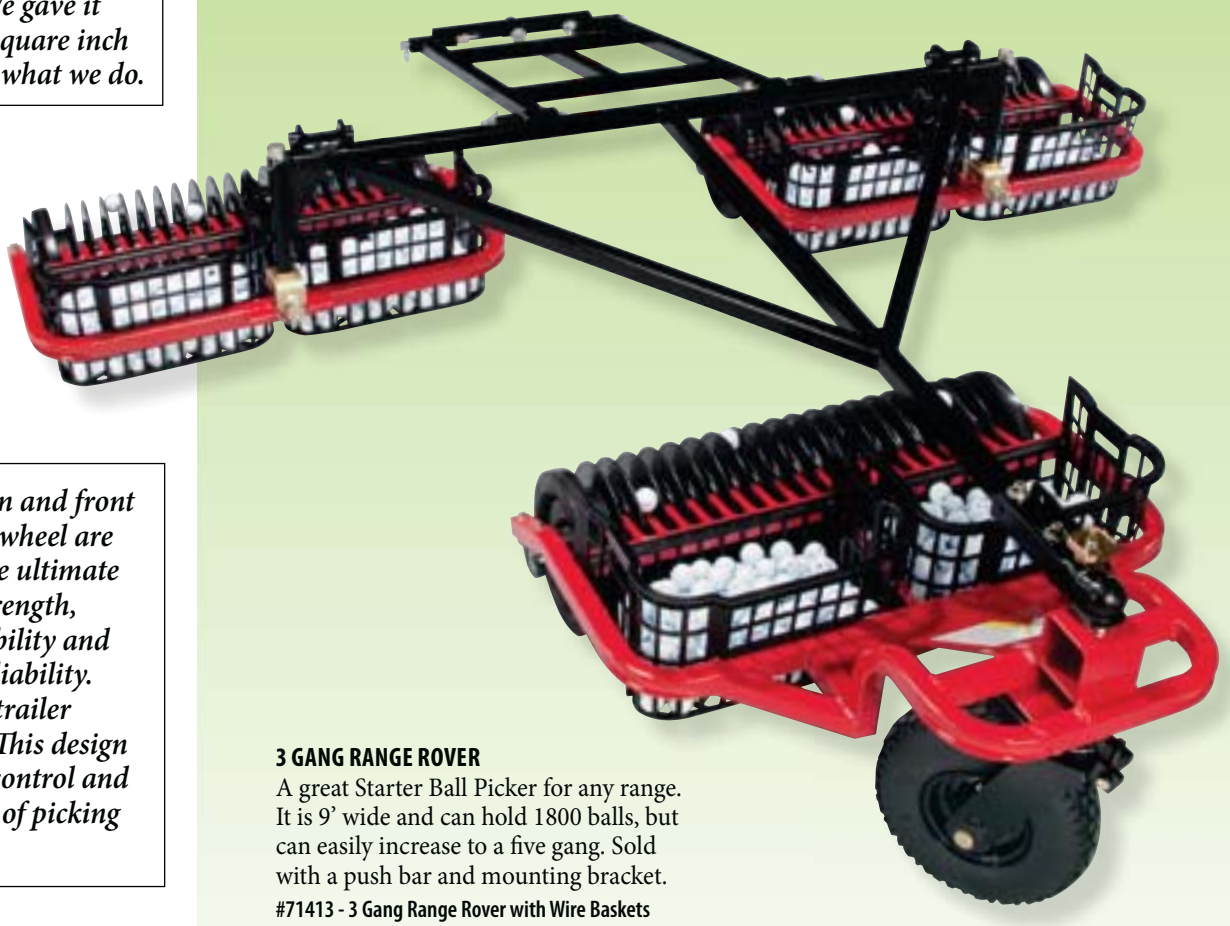
Ball Hawk Range Rover

Powerful new design is made more efficient . High performance and low maintenance. We gave it more ideas per square inch because more is what we do.

The front section and front caster fork and wheel are all in one for the ultimate in flexibility, strength, maneuvering ability and unsurpassed reliability. Complete with trailer hitch and ball. This design provides more control and the highest rate of picking performance.



3 GANG RANGE ROVER
A great Starter Ball Picker for any range. It is 9' wide and can hold 1800 balls, but can easily increase to a five gang. Sold with a push bar and mounting bracket.

#71413 - 3 Gang Range Rover with Wire Baskets
#71413P - 3 Gang Range Rover with Plastic Baskets

FEATURES:

Newly designed composite discs
The industry's strongest composite discs combine the best of strength and flexibility to endure the toughest picking conditions.

Advanced turning system
Newly engineered tires on each end of drum, combined with pillow block bearings, provide added reinforcement that greatly maximizes strength and maneuverability.

Innovative Posi-Lock baskets!
All of our picker baskets, wire and plastic have our locking handle that secures basket to frame. Keep's baskets from jumping all over and loosening range balls. 300 ball capacity.

Another Wittek exclusive
Our picker frames and draw bar are high strength for long lasting performance. 1½" square tubing by ⅛" wall thickness. Each frame and draw bar goes through a special chemical wash for a lifetime undercoat shield. Two separate powder coat finishes are applied resulting in the ultimate protection from the elements and wear

Extra heavy duty post assemblies
Providing greater strength and performance while maintaining even and level basket height. The tubular steel has also been increased to 1 ½" in diameter, the strongest available on the market.

Maneuverable
The Ball Hawk Range Rover can be backed out of the tightest spots. The gangs will not get tangled, so there is no need to exit the vehicle while in the line of fire.

Durability
Extra precautions have been taken to extend the life of your picker. Grease fittings have been placed on all critical wears points.

Wittek's New Two-in-One Picker

It's "Not " Just Another Picker

5 GANG RANGE ROVER
Your best choice for medium to heavy volume range operations. Cuts down on the time it takes to retrieve balls. It's 15' wide and holds 3000 balls. Complete with push bar and mounting bracket. Golf cart adapter bracket sold separately.

#71415 - 5 Gang Range Rover with Wire Baskets
#71415P - 5 Gang Range Rover with Plastic Baskets

OPTIONS:

PLASTIC PICKER BASKETS NEW
Another First for Wittek
Wittek Golf Supply believes in providing its customers with the latest advancements in driving range golf products. We are proud to introduce the next generation range picker basket. This new design offers ergonomic handles that are recessed to provide easy handling and transportation. The entire part is made from a specialized polymer that offers high strength and impact resistance for long lasting performance. When compared against standard wire construction this new design offers a 60% weight reduction.

#71912 - Plastic Picker Basket
300 Balls per Basket

SINGLE RANGE ROVER
(shown with optional plastic basket)

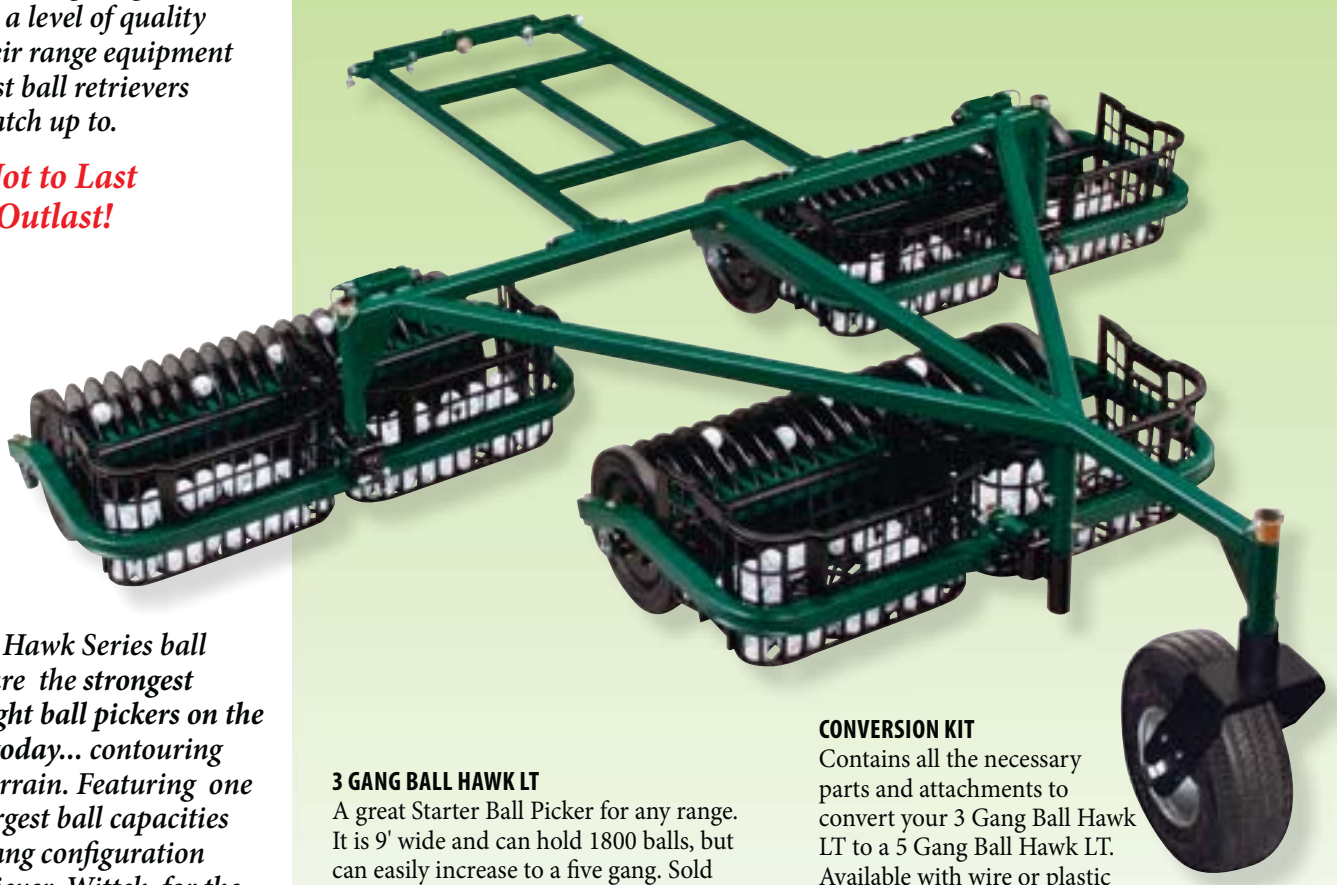
The single front picker section can be used by itself as a single picker for tight picking areas. Easily removed and reattached to cart with a special A frame. When finished reattach back to rest of picker section.

#71900- Single Section A-Frame

The Wittek Ball Hawk LT

Today's driving ranges demand a level of quality from their range equipment that most ball retrievers don't match up to.

Built Not to Last But to Outlast!



The Ball Hawk Series ball pickers are the strongest lightweight ball pickers on the market today... contouring to any terrain. Featuring one of the largest ball capacities of any gang configuration ball retriever. Wittek, for the highest standard of reliable service since 1946.

3 GANG BALL HAWK LT
A great Starter Ball Picker for any range. It is 9' wide and can hold 1800 balls, but can easily increase to a five gang. Sold with a push bar and mounting bracket.
#71403 - 3 Gang Ball Hawk LT with Wire Baskets
#71403P - 3 Gang Ball Hawk LT with Plastic Baskets

CONVERSION KIT
Contains all the necessary parts and attachments to convert your 3 Gang Ball Hawk LT to a 5 Gang Ball Hawk LT. Available with wire or plastic baskets. Weight: 215 lbs.
#71404 –Conversion Kit (2000 to current)

FEATURES:

Advanced turning system
Newly engineered tires on each end of drum, combined with pillow block bearings, provide added reinforcement that greatly maximizes strength and maneuverability.

Innovative Posi-Lock baskets!
All of our picker baskets, wire and plastic have our locking handle that secures basket to frame. Keep's baskets from jumping all over and loosening range balls. 300 ball capacity.

Spring loaded fork assembly
Our heavy-duty spring loaded caster fork absorbs shock, saves wear and tear on our picker's convenient grease fittings on our wheel and all critical wear points ensure constant lubrication for longer wear and smooth operations.

Post Assemblies
Extra heavy duty post assemblies provide greater strength and performance while maintaining even and level basket height.

Our front leading picker comes with our custom " Pat Pending" articulating post assembly for greater picking performance.

Durability
Extra precautions have been taken to extend the life of your picker. Grease fittings have been placed on all critical wears points.

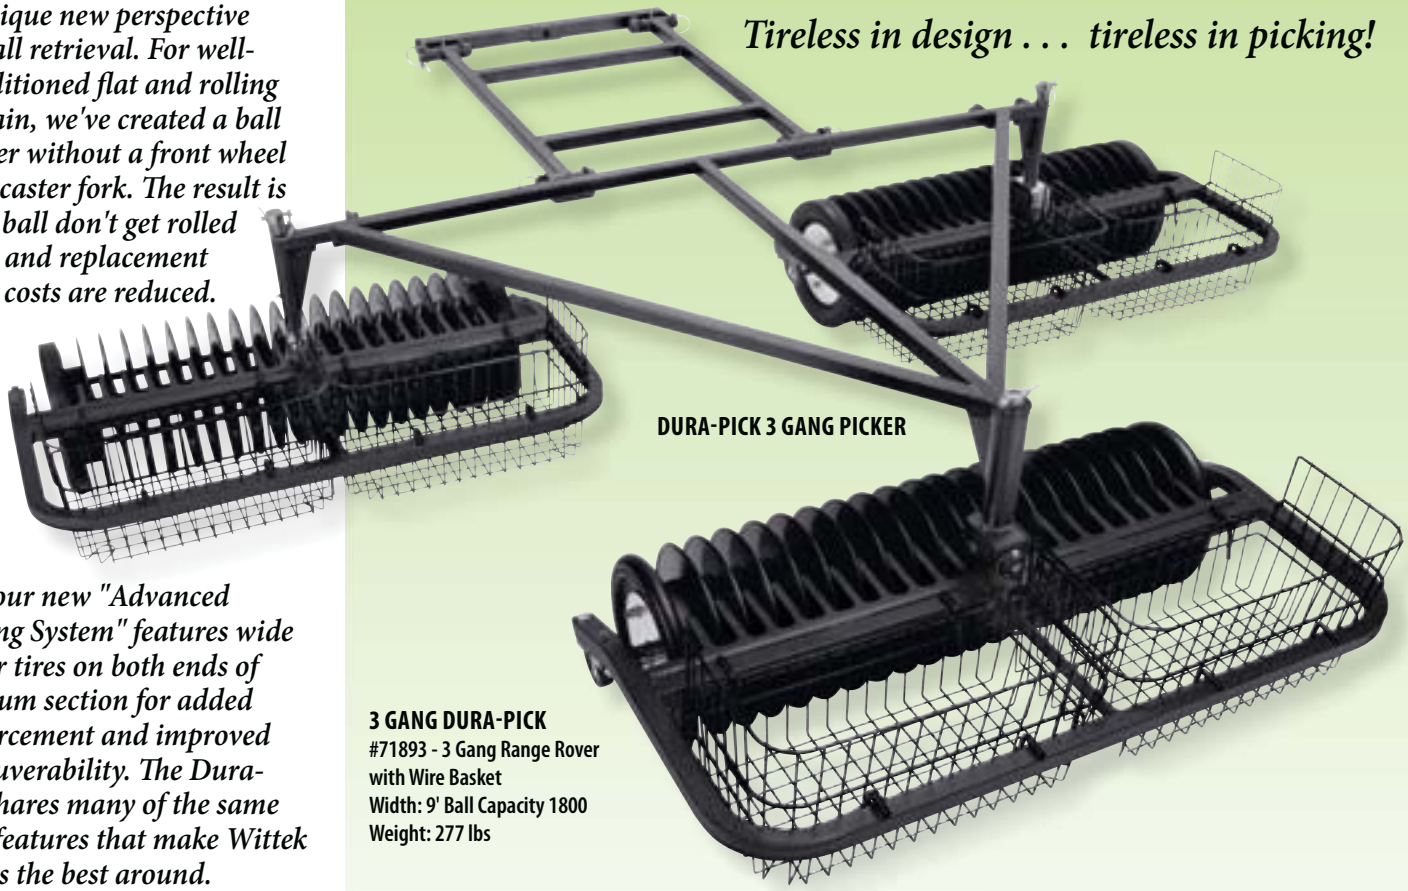
Wittek's New No Front Wheel Ball Hawk

The newest member to the Wittek product line, the Dura-Pick Ball Picker takes a unique new perspective to ball retrieval. For well-conditioned flat and rolling terrain, we've created a ball picker without a front wheel and caster fork. The result is that ball don't get rolled over and replacement part costs are reduced.

Featuring New Advanced Turning System

Tireless in design . . . tireless in picking!



DURA-PICK 3 GANG PICKER

Also, our new "Advanced Turning System" features wide rubber tires on both ends of the drum section for added reinforcement and improved maneuverability. The Dura-Pick shares many of the same great features that make Wittek pickers the best around.

3 GANG DURA-PICK
#71893 - 3 Gang Range Rover with Wire Basket
Width: 9' Ball Capacity 1800
Weight: 277 lbs

DURA-PICK 3 GANG & 5 GANG FEATURES & OPTIONS

FEATURES:

MANEUVERABLE
The Dura-Pick can be backed out of the tightest spots. The gangs will not get tangled, so there is no need to exit the vehicle while in the line of fire.

LOW PROFILE
The Dura-Pick can fit under trees and sweeps close to yardage markers.

DRUM SECTIONS
A two-piece drum section increases the ability to turn as well as reduces wear on the disks.

DURABILITY
- *Extra precautions have been taken to extend the life of your picker. Grease fittings have been placed on all critical wears points.*
- *State-of-the-art cleaning process plus a super tough power coat helps keep the elements in check.*

ADVANCED TURNING SYSTEM
Newly engineered tires on each end of drum, combined with pillow bearings, provide added reinforcement that greatly maximizes strength and maneuverability.

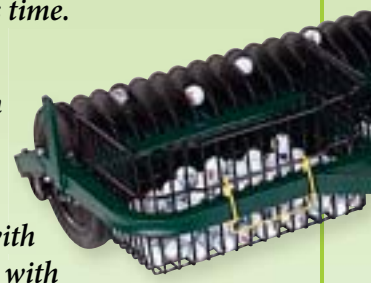
SL90 - Straight Line Pickers

We know you want range equipment that's up to the challenge, which is why we're so proud of the SL90 Series Ball Pickers for practice ranges. No other picker retrieves balls as effortlessly and effectively as the SL90 straight-line, lightweight ball pickers.

- *Here are the top six reasons why the SL90 Series is the best performing ball picking equipment you'll ever own:*

- ***Maneuverability***
  The SL90 Series Ball Picker has a 360 degree turning radius, allowing you to effortlessly back up and turn out of corners. It's the swiftest, most maneuverable ball picker on the market.
- ***Maximum Productivity***
  Designed after the original Wittek straight-line configuration ball picker. This design provides the highest rate of picking performance available in a lightweight ball retriever. You'll cover more terrain in less time.
- ***It Grows as Your Business Grows***
  Each gang is easy to handle, allowing effortless expansion to a larger model ball picker when you need it.
- ***The Ultimate in Reliability***
  The strength of the tubular steel construction combined with the most durable discs on the market creates a ball picker with unsurpassed reliability – the SL90 Series.
- ***Wittek's 60+ Years of Engineering Experience***
  Our technology and hands-on experience in the golf range industry combine to provide you with the most effective method of ball retrieval today – the SL90 Series.
- ***Durability***
  Extra precautions have been taken to extend the life of your picker. Grease fittings have been placed on all critical wears points.



See Wittek's Confidential Price Book for a complete SL90 Ball Picker parts list.

- Self diagnostic front color LED.

3.) Golf Key Debit System
- Prepayment of range balls reduces cash handling.
- Self service reduces labor costs.
- Easy for customers to use.

Golf Key Debit System Includes:
- 1 Pro Shop Terminal with power supply.
- 1 Dispensing Terminal key port with LCD display and power supply.
- 5 Program keys that consist of 1 each:
  • Show Totals • Decrease Price
  • Increase Price • Clear Totals • Unlock
  Debit keys sold seperately with no minimum order requirement.
  #74311 - Golf Debit Keys Only

Golf keys use high security smart chip technology. Credit value is added to the key with the Pro Shop terminal. At the dispenser key port, the LCD display shows the value on the Debit Key and asks to select a Small, Medium, or Large Pail. The value of the pail of balls is automatically debited off the key. It's as simple as that.

Crossfire

by e-range

- Crossfire and e-range are recognized as a leading provider of wireless, cashless transactions and networking services to the Golf Industry.
- Accept credit cards right at your ball dispenser.

e-range

Better Management, Bigger Profits

Eliminate tokens; use wireless PIN numbers to activate your ball dispenser.
POS integration; print wireless PIN numbers right on your POS receipt!

BETTER MANAGEMENT, BIGGER PROFITS

e-range allows you to manage prepaid customer accounts; collect interest on the money customers have deposited, and gives you the cash up front. It can pay for itself in less than a week. e-range can track every basket dispensed by your range ball dispenser. You can balance employee's cash to the actual sales at the dispenser, even weeks after their shift. You can print a report showing exactly what happened at the ball dispenser on that shift. e-range can deactivate a lost or stolen account and replace it instantly with an accurate balance. Golf Course driving range privileges can be managed more efficiently; use e-range to eliminate token hoarding and free distribution of tokens to non-members. Point of Sale integration with some of the most popular POS systems. Print a PIN number right on your POS receipt. e-range gives you information at your fingertips about your sales and customer purchasing habits. Sales graphs and reports for the week, month, and customer activity can be reviewed and printed. e-range is the best Range Management System available today. Warranted even against lightening strikes!

USED BALLS FOR DRIVING RANGE USE

GB6 - Select Grade
Top name brands in near perfect condition. All high compression, Surlyn covers. Approximately 75% are select quality. A choice range ball for country club golfers or a great over-the-counter resale ball. Available plain or striped in Red or Black. Bulk packed.

#72480 - GB6, Plain (no stripe)
#72481 - GB6, Striped
(Specify Red or Black)

GB180 - Special Grade
Quality grade of mixed rewashed and repainted golf balls that have slight club marks, but no cuts. A good ball for range use. Available plain or can be striped Red or Black at no extra cost. Bulk packed.

#72420 - GB180

Shipping Weight
All range balls weigh 1¼ lbs./per dozen, and are bulk packaged.

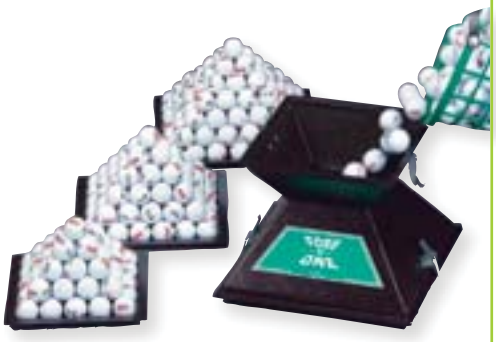
Patent No. 5,695,312

THE STACKER

Across the country, golf pros and range managers are discovering The Stacker to enhance their course image. Create a clean and organized tee line while increasing labor efficiency. Ideal for special events! Fast and easy to use - simply pour balls into The Stacker, cover with tray and invert. Balls come out in a perfect pyramid every time. All kits include 15 trays.

#76168 - 55 Ball Stacker Kit
#76165 - 91 Ball Stacker Kit
#76160 - 140 Ball Stacker Kit
#76159 - 204 Ball Stacker Kit

#76169 - 55 Ball Tray Only
#76166 - 91 Ball Tray Only
#76161 - 140 Ball Tray Only
#76158 - 204 Ball Tray Only



FORE-N-ONE

The Fore-N-One is an innovative new way to make four different sized pyramids (55, 91, 140, and 204) from one pyramid builder. The Small Fore-N-One makes both 55 and 91 ball pyramids. Just select the tray size and load balls into the top of the Fore-N-One. Then remove the Fore-N-One, and you're done! Kit includes one top loading unit. Trays sold separately (refer to Stacker Ball Trays Only).

#76171 - Fore-N-One Pyramid Builder
#76172 - Small Fore-N-One Pyramid Builder

GOLF BALL DYE

Available in Red, Black, Blue and Green. 1 quart bottles. Weight: 2¼ lbs.

#75201 - Red Golf Ball Dye
#75202 - Black Golf Ball Dye
#75203 - Blue Golf Ball Dye
#75204 - Green Golf Ball Dye

"Back Saver"

GOLF BALL STANDS

A great way to provide convenience and good looks for the country club practice range! Ease back and knee strain on the tee line with these one-piece basket pedestals. Holds 150 golf balls and constructed from heavy gauge steel coating with a baked-on high density plastic.
Size: 26"H x 131/2" Base Diameter. Weight: 10 lbs.

#76465 – Green
#76466 – Yellow

RANGE ALIGNMENT ROPE

Easily set up your range with that perfect appearance. The rope is marked every 10' so the tee line is uniform for safety. It makes setting bag stands or tee dividers perfect every time. Available in special sizes.

#77210 - 100' Yellow Range Alignment Rope
#77211 - 100' Green/White Range Alignment Rope

RANGE BALL STORAGE BOX

This sturdy storage box holds up to 5,000 golf balls. It features a recycled plastic slated bottom that allows the golf balls to vent and dry. It's fully lockable too.
39"W x 28"D x 27"H

#3350 - Hunter Green

Wittek Quattro Mats

Sold exclusively through Wittek

QUATTRO MAT

Featuring a Revolutionary Ergonomic Cushioning System!

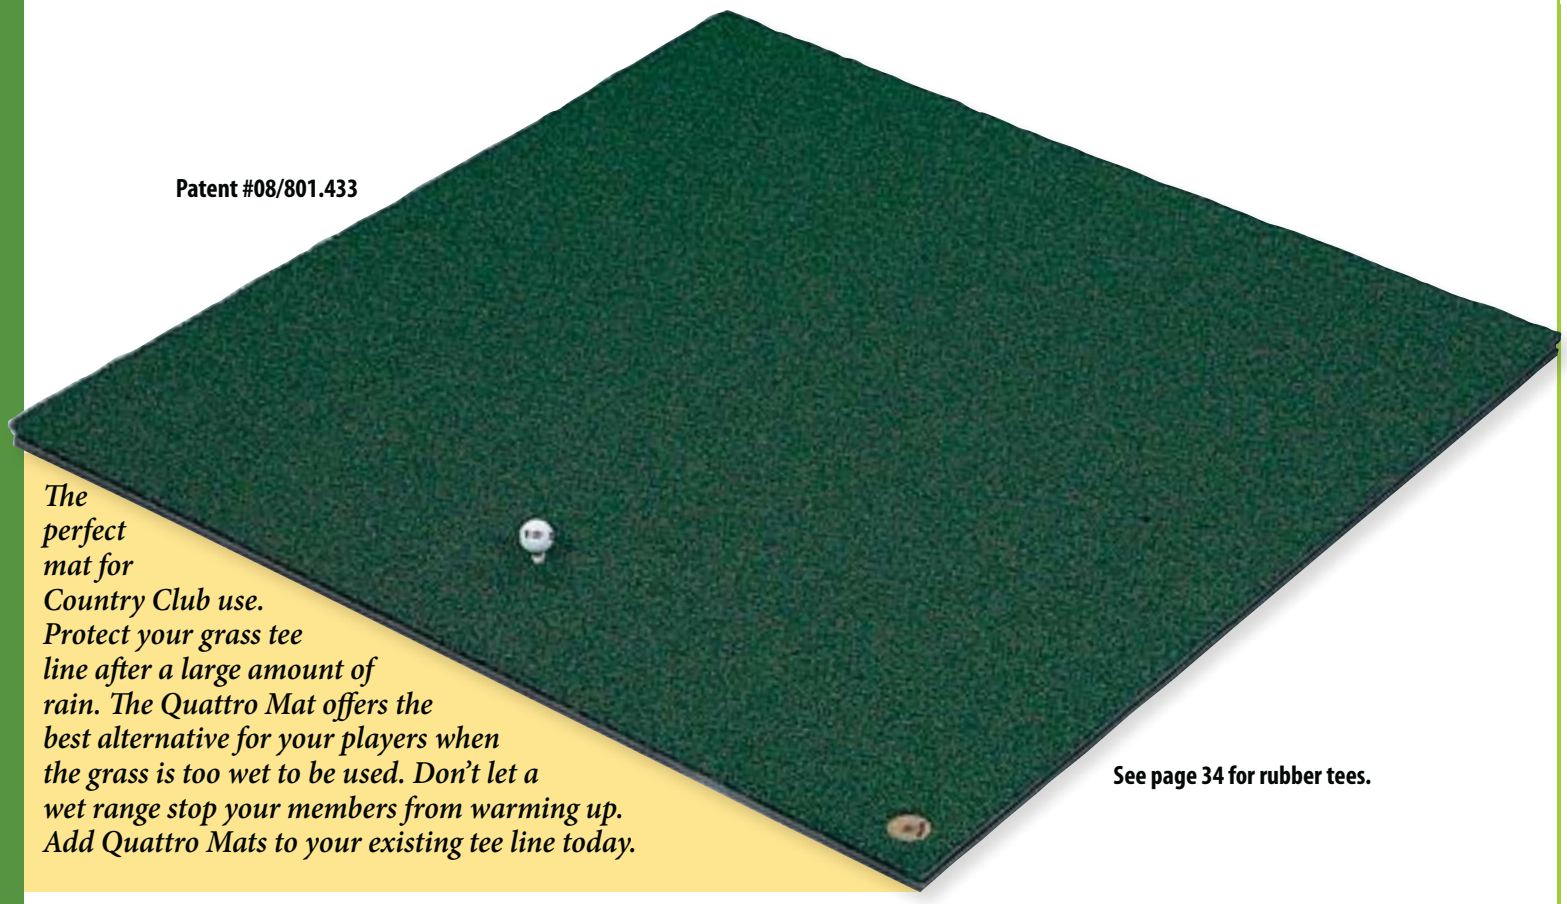
The Quattro Mat is the most realistic simulation to a fairway on the market. Using a Scientific revolution in mat technology, the Quattro Mat features an impact dampening system. The knitted nylon turf is bonded to an interface layer which protects the mat from tearing. The dampening system consists of highly elastic polyurethane fibers acting to absorb the impact of the club. This is then connected to an elastic vinyl mat for additional comfort. The end result is what gives the Quattro Mat an incredibly soft feel while providing extra protection to the golfer's wrists, torso, and lower body.

Size: 58"x 58"
Weight: 58 lbs.
Thickness: 15/16" with pad

#78180 - Quattro Mat

Specially engineered to lessen the physical shock of club and body at impact.

Patent #08/801.433



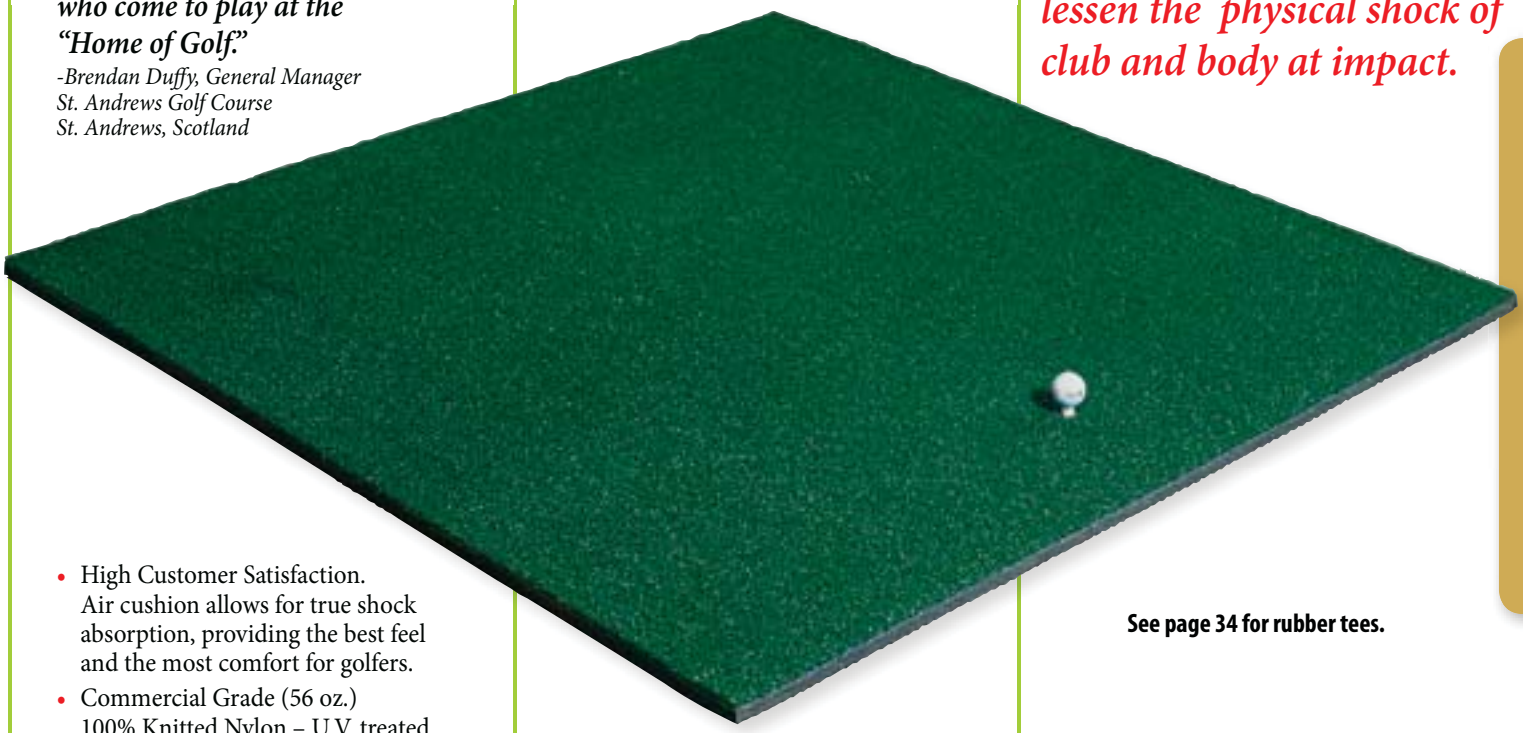
The perfect mat for Country Club use. Protect your grass tee line after a large amount of rain. The Quattro Mat offers the best alternative for your players when the grass is too wet to be used. Don't let a wet range stop your members from warming up. Add Quattro Mats to your existing tee line today.

See page 34 for rubber tees.

TurfMaster Air II - *Sold Exclusively Through Wittek*

"Great feel! These mats fulfill the high expectations of the players who come to play at the "Home of Golf."
-Brendan Duffy, General Manager
St. Andrews Golf Course
St. Andrews, Scotland

Specially engineered to lessen the physical shock of club and body at impact.

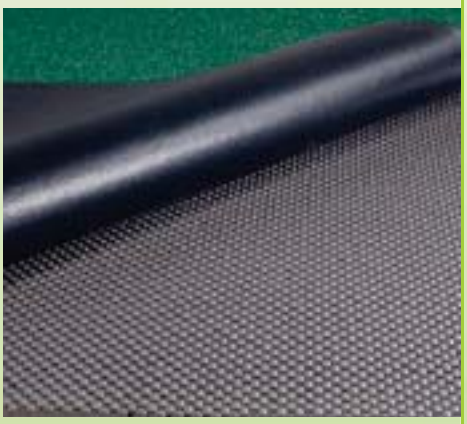


- High Customer Satisfaction. Air cushion allows for true shock absorption, providing the best feel and the most comfort for golfers.
- Commercial Grade (56 oz.) 100% Knitted Nylon – U.V. treated. Incredible strength against high volume wear.
- Heat Bonding Assures Maximum Durability. More durable and longer lasting than conventional mats.
- Eliminates Shifting. Heavier weight of mat combined with unique waffled bottom helps eliminate shifting due to wind and usage.

See page 34 for rubber tees.

#78185 - TurfMaster Air II Mat, Square
Size: 58" x 58". Weight: 55 lbs.
Thickness: 1⅛" with pad
Tee Holes: ⅝" insert holes for rubber tees are centered on all sides and positioned 6½" inside the mat edge. Bottom side of holes are countersunk to accept base of rubber tee.

Try it and let your customers feel the difference.
You'll experience an overwhelmingly positive response from all your practicing golfers.



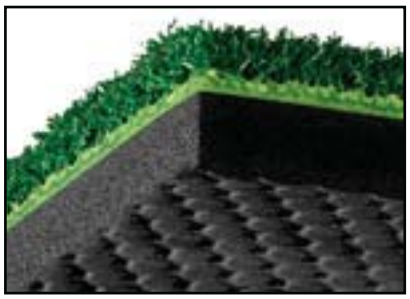
Unique Lamination Process.
The knitted turf is molded into a thick, solid PVC layer. Then it is heat-bonded to the air cushioned PVC pad, for the ultimate in durability and long lasting wear.

Air Cushion Pad.
Provides shock absorption and total customer satisfaction in feel and comfort. Reduces the shock at impact of club and body.

Fairway Turf Mat

NEW

FAIRWAY TURF MAT
This mat gives the player the feel of hitting off fairways and tees. This 100% nylon mat uses both straight and curled fibers. The straight fibers offer a nice fairway lie, while the curled fibers ensure the player a stable stance. The combination of these fibers creates no resistance at impact.
Size: 59"x 59"
Weight: 42 lbs
Thickness: 1 ¼" with pad
Tee Holes: ⅝" insert holes for rubber tees are centered on all sides and positioned 6 ½" inside the mat edge. Bottom side of holes are countersunk to accept base of rubber tee.
#78186 - Fairway Turf Mat



WOOD TEE HOLDERS
Designed for use with all grass mats. Holds a wooden golf tee that can be adjusted to the golfer's preference.
#78820 – 1¼" Wooden Tee Holder
#78821 – 2" Wooden Tee Holder

TRIANGLE RUBBER TEE
Finally a way to offer multiple rubber tee lengths without having extra tees laying around. The three sizes joined together are 1⅞", 2¾" and 3¼".
Size: 11½"L x 10"W
Weight: 1 lb
#78822 - Triangle Rubber Tee

TOURNAMENT STARTER CASE

A must for all tournament organizers.
Perfect for the 1st and 10th tees.

Opens up to feature a bulletin board for posting tee times and rules sheets. Also serves as a central location for tees, pencils, repair tools, etc. Wooden dowel rods act as a paperweight so papers stay organized. Laminated wood grain finish resists scuffs and scrapes. Closes into a convenient storage and carrying case with handle. 4½"H x 26¼"W x 17½"D. Weight: 19 lbs.

#68525 - Tournament Starter Case

Wood Tees

Quality white birch makes our tees the best in the industry.
All tees feature the proslim shank measuring .171 in diameter.
Available in 11 colors – Stock Colors: Mixed, Natural, White.

#92501 - 2¾", Tee
#92502 - 3¼", Tee

Professional Tee System

The majority of today's players have large volume drivers. Unfortunately, most are still using the traditional 2 ⅛" shortee which is totally incapable of properly positioning the ball with respect to the "sweetspot".

- A longer tee encourages a shallow approach and maximizes the launch angle.
- The proper tee is needed to adjust to the higher sweetspot.
- Available in 2 ⅛" ShorTee, 2 ¾" ProLength, 3 ¼" ProLength-Plus and 4" ProLength-Max.

SHOP SUPPLIES

D. RATTLESTOP
ProFix RattleStop is a thick, one part liquid that will not set up. A small amount placed in a metal head will catch loose particles, eliminating noise.
#90756 - RattleStop, 4 oz. bottle

E. PRO-FIX 10/10
New Pro-Fix 10/10 has a 15 minute working time and a 3-4 hour cure. The viscosity of both A & B parts is the same and is mixed 1:1 by weight or volume.
#90757 - Pro-Fix 10/10, 8 oz. kit.

VISE CLAMP
Holds shaft while gripping golf clubs.

#90745 - Vise Clamp

PERFORATED GOLF GRIP TAPE
Double-sided tape perforated in pre-measured 8" strips for fast and easy use in applying grips to club shafts. Each strip is 1¾"W x 8"L.

#90741 - Perforated Grip Tape, 2" x 400" Roll
#90742 - Perforated Grip Tape, 2" x 800" Roll

REGRIPPING TAPE
A must for all regrippers!

#90725 - Lead Tape, ¾" x 45" not shown
#90730 - Two Way Tape, ¾" x 108"
#90735 - Two Way Tape, 1" x 108"
#90740 - Two Way Tape, 2" x 108"

A. HF-100 ADVANCE GRIP TAPE ACTIVATOR
"The Grip Solution" works with any double sided grip tape. It is non-toxic, non-flammable, odorless, reusable, and easy to clean up. It greatly reduces the amount of solution used by 60%. Playable in 10-15 minutes. Available in quarts or gallons. Spray pump sold separately.
#90750 - HF-100 Advance Grip Tape Activator, Quart
#90751 - Spray Pump for Quart Size HF-100
#90752 - HF-100 Advance Grip Tape Activator, Gallon

B. PRO-FIX 5 & 10 BONDING ADHESIVE
The first "quick fix" adhesive with the strength and impact resistance of a 24-hour curing product. Playable within 10-30 minutes of application. Easy dispensing with hand operated double-barreled tube.
#90753 - Pro-Fix 5 & 10 Double-Barreled Cartridge

GET A GRIP ON CLUB REPAIR.
Our newest line of grip solvents and shaft bonding adhesives are economical, friendlier to the environment, and less hazardous to your health. The safer format lowers costs in insurance, medical claims, and safety equipment.

C. PRO-FIX 20\20 BONDING ADHESIVE
A slow cure adhesive with full cure in 12-20 hours. Bonds produced with Pro-Fix 20\20 are extremely durable with excellent impact resistance. The highest quality, most cost effective adhesive on the market. Available in 8 oz. and 12 oz. squeeze bottles.
#90754 - Pro-Fix 20/20, 8 oz.

Ball Washer Ensembles

These are a few of the ensembles created to make ordering easy for you. With all of these options, you can place your ensemble design where it's needed. You may opt to put an ensemble with a Club Washer on the tee of a par 3 hole, for instance, or one with a Trash Mate® double unit on the tee following the halfway house. Just start with the combination you like and pick a color. If you don't see the combination you are looking for, simply mix and match by choosing the individual items that best fit your situation.

Ball Washers

A Hallowed Course Tradition
Par Aide ball washers are a familiar fixture on golf courses, and for good reason. Our quality and durability under the nastiest weather conditions, along with our great long-term value, make us the most respected and recognized name in the business. Try us and you'll agree.

PAR AIDE BALL WASHERS OFFER:

- One moving part; easy to maintain and replace. Unit can be completely flushed and cleaned by removing only two marine-coated, stainless steel set screws.
- Tamper-resistant drain plug with gasket eliminates any chance of leaking.
- Aluminum castings allow for unlimited color options and unmatched durability.
- Special pre-treatment process to improve integrity of powder coating.
- Known and preferred by golfers the world over.
- Made in the USA.

DELUXE BALL WASHER
Our most popular model. Drain plug located in front for easy cleaning and flushing. Patented internal overflow sends excess liquid down the inside of the pipe stand.

Trash Mate Receptacles

Like all Par Aide products, our Trash Mates have the same quality and durability you've come to expect. They hold up under the most severe weather conditions and are designed to complement any course.

- Polyethylene: impervious to rusting and denting.
- Maximum UV protection added to prevent brittleness and fading.
- Capacity: 9 gal. also accepts trash bag liners.
- Windproof, snap-on lids available in three styles, all black: solid (no opening) to resist pests, trash opening, and "Cans Only" opening.
- Convenient attachment to ball washer pipe reduces number of objects to be moved before mowing.
- Flexible design allows you to add a second receptacle for recycling.
- Stackable/nesting design saves storage space.
- Mounting hoops are pre-treated for added protection and then powder coated.

MOUNTING PIPE
Lightweight, no-rust aluminum pipe for your ball washer installation. Powder-coated black or custom finish. 2 ⅜".outside diameter.
- Also available in 12" and 24" lengths for use with Club Washers and Divot Mates.

Spike and Shoe Cleaners

The same attention to detail that goes into our ball washers also goes into our spike and shoe cleaners.

- Bristles made from the toughest nylon fiber available to prevent them from matting down.
- Base is made of black anodized cast aluminum, so there's no paint to chip.
- Base brush available with traditional nylon bristles, or crimped bristles that are softer and denser to clean alternative spikes. Both styles fully interchangeable.
- More important than ever for on-course use with popularity of alternative-spike shoes.

Fairway and Tee Markers

BANDED TEE MARKERS

Designed to give your course an upscale look. These 5 in. diameter high-density plastic tee markers are virtually unbreakable and unsinkable. They identify tee locations through subtle color bands or with professional lettering. Choose the natural color that best complements your course's scheme. Ordering is easy. Simply choose the color tee marker, then add the two-number code for the specific band or lettering option. Markers shipped with spikes attached and bands in place. Replacement bands available.

Tee Markers

Tee markers play a subtle but important role in defining the personality of your course. Our selections give you virtually unlimited flexibility in this area.

- Materials carefully chosen to maintain best appearance.
- Designs are simple and classic; their looks won't become outdated.
- Durability to stand up to the elements and golfer abuse.
- All tee markers have stainless steel spikes to prevent rusting and bending.
- All plastic and resin markers float.

SATELLITE TEE MARKER

Satellite tee marker is made of solid ABS plastic. It won't split or crack, there's no paint to chip and UV protection makes it fade resistant. A full 4½" diameter.

Vinyl Covered Flagsticks

VINYL GUARD® golf

Par Aide is proud to announce an exclusive partnership with VinylGuard™, makers of the popular vinyl shrink-wrap coverings. Through our partnership, we have created a full line of vinyl-covered flagsticks —your most durable flagstick option. These flagsticks are available in popular colors and striping patterns in both ½" and ¾" models. All flagsticks come pre-applied with VinylGuard vinyl shrink-wrap coverings to save you time and money when considering a vinyl-covered flagstick option.

- Vinyl-covered flagsticks last longer and perform better.
- Will not fade, splinter, crack, nick, scratch or stain.
- Protection against damage from abrasion, UV rays, chemicals and the elements.
- Pre-assembled for convenience, no heat gun use required.

Flags and Greens Accessories

360° HOLE PAINTER

The 360° Hole Painter is a new and innovative tool that paints the 1 inch above the cup bright white using a unique nozzle that sprays 360 degrees all at once.

- Simple and easy to use.
- No rotating of the can is necessary.
- No shadowing of the paint.
- No dripping on the cup or over spray on the green.
- Provides a consistent, professional finish every time.
- Greatly increases visibility of the cup.
- Patent Pending.

#910 - 360° Hole Paint
Case of 12, 12 oz. cans

#911 - 360° Painting Tool
Includes 3 aluminum cup shields

#911-1 - 3 Aluminum Cup Shields

#911-2 10 Plastic Cup Shields

PLASTIC PUTTING CUPS

- Brilliant white cycolac plastic.
- Exceptional durability and appearance.
- Minimum taper for snug fit.
- 4¼" diameter.
- Meets all USGA regulations.

Weight: 1 lb. each

#920 - Regulation Cups, 6" Depth
#940 - Practice Cups, 4" Depth

ALUMINUM PUTTING CUPS

- Die Cast oversize–then OD and ferrule socket ID are machined to exact diameter with minimal taper for snug fit and less chance for"wobble" in the hole.
- Anodized and dichromated for corrosion protection.
- Only inside walls are painted white – no base paint for sticks to chip.
- 4¼" diameter.
- Meets all USGA regulations.

Weight: 2 lbs. each

#930 - Regulation Cups, 6" Depth
#931 - Painting Masks, set of 50

EVER-WHITE PUTTING CUPS

The new Ever-White Cup revolutionizes putting cups with its aluminum outside and bright white plastic sleeve, meaning you never have to paint your aluminum cups again. There's no paint to chip and the sleeve will stay tight in the cup during play, but is easy to replace when necessary. Best of all, players still hear the classic aluminum sound when the ball drops down. Meets all USGA regulations.

#935 - Ever White Cup Aluminum
Cup Complete with Plastic Sleeve.
Weight: 2 lbs. each

#935-1 - Ever White Cup
Replacement Sleeves. Case of 18 (Sleeves not sold individually).
Weight: 1 lb. per case

ZINC PUTTING CUPS

Same characteristics as the aluminum model but molded in zinc for improved overall strength. Zinc also increases weight of cup for more stability. Meets all USGA regulations.
Weight: 3 lbs. each

#937 - Regulation Cups, 6" Depth

Regulation Golf Flags

Engineered to maintain their good looks despite long exposure to wind and sunlight.

- Improved steadfast colors, thanks to a patented DuPont® process.
- Stronger stitching, including bar-tacked corners and four rows of fly-hem stitching, ensures durability in high winds.
- Lightweight 200 denier nylon construction makes flags sensitive to even gentle breezes, giving golfers a better determination of wind direction.
- Tube-style and tie-style flags are available.
- Unlike heavy sailcloth flags, ours minimize premature wear on sticks and cups, and decrease the chance of flagsticks being blown out of cups.

Par Aide offers a fine selection of Screen Printed and Embroidered Flags. Please refer to the Par Aide catalog for available options or call Wittek customer service for more information.

Embroidered and Screen-Printed Flags

Our Details Add Up To A Better Embroidered Flag

Turn to Par Aide when high quality and exceptional service are what you demand for embroidered flags.

Our premium line of embroidered flags is constructed using 400 denier material with reinforced stitching. The 400 denier material is more durable and is less likely to "pucker" when embroidered upon. Par Aide continues to recommend a lighter 200 denier material for regular golf flags, but recognizes a heavier 400 denier material provides the highest quality and satisfaction when embroidery is preferred.

1. Unique reverse bobbined stitching on all flags reverses embroidery detail on back side of flag. Never an upcharge for this process.
2. Fastest turnaround time in the industry. 2–3 weeks from receipt of approved order.
3. Constructed with premium 400 denier flag material rather than 200 denier.
4. Thread is made of colorfast material, specifically designed for outdoor use.
5. Flags are made of protected nylon for maximum fade resistance.
6. Available in convenient tube-style or tie-style (with brass grommets).

See Fine Detail On Both Sides Of The Flag With Our Unique Process.

Unbelievable precision and quality. We took flag embroidery to the next level by utilizing the exclusive "reverse bobbined" stitching technique. The reverse bobbined technique embroiders your logo in reverse on the back side of the flag. This gives you extraordinary detail on both sides of the flag, eliminating the unattractive white thread that is commonly found. All of our embroidered flags feature this technique. This is just another example of how Par Aide takes its passion to improve existing products for the game of golf.

Unique Reverse Bobbined Stitching

Embroidered and Screen-Printed Flags

PAR AIDE

Custom Screen-Printed Flags

Tube-style and tie-style flags available with a custom look for your course. Jr. Flags also available in tube-style only.

Let's Talk About Your ArtWork Before We Get Started.

Good artwork is essential to get the process started. To accurately price your logo on our durable 400 denier flag material, you need to provide us with an example of your logo to verify the stitch count. A previously embroidered flag, or high-resolution vector-based or 800dpi artwork would be the best examples of your logo. Low-resolution artwork, such as a scorecard or letterhead, can be used but may require an additional art charge.

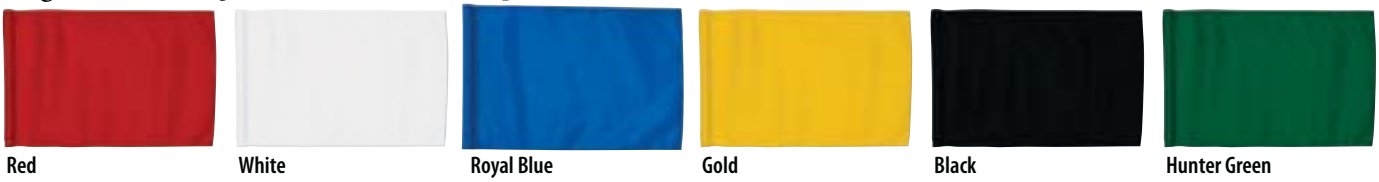
Ordering Process: High Quality is Always In Stock.

From start to finish, our step-by-step process makes it easy and convenient for you.

1. Acquire artwork. You need the correct artwork of your logo before we can start.
2. Select flag. Determine flag style, colors and quantity. Minimum order is 12 flags.
3. Contact Wittek Golf to facilitate a price quotation.
4. Approve quote. Once a purchase order is received, a sample flag or JPEG file will be sent for logo approval. Contact Wittek Golf directly if any changes need to be made.
5. Experience the fastest turnaround. Once we have final logo approval, please allow 2–3 weeks for delivery.

Please Note :
All embroidered and screen flags are custom and require a quote for exact pricing.

Flag Colors (All flags have border and header options available. Call for details.)



Red | White | Royal Blue | Gold | Black | Hunter Green

Yellow | Orange | Emerald Green | Navy Blue | Burgundy | Border/Header

Recycled Plastic Accessories

RANGE PRO

Eliminate the unsightly clutter of dirty buckets, containers and cans on the practice range with our handsome Range Pro. This all-inclusive club cleaning station is made of maintenance-free recycled plastic that neatly organizes the wash bucket, brush and towel.
Weight: 48 lbs.

#3310 - Hunter Green
#3315 - Black
#3316 - Dark Redwood
#3317 - Caramel

Featuring a hinged lid, bucket, attached heavy-duty brush, and towel rack.

DIVOT PRO

- Recycled plastic-wood slats are rustproof, fade resistant and maintenance free.
- Convenient height for golfers.
- Hinged lid keeps mix dry and accessible.
- 5 gal. plastic inner liner easily removable for cleaning, filling or changing. Includes 8 oz. scoop.
- 19"L x 15"W x 25"H

Weight: 46 lbs.

#3410 - Hunter Green
#3411 - Black
#3412 - Dark Redwood
#3413 - Caramel

DIVOT PRO JR.

- Recycled plastic-wood slats are rustproof, fade resistant and maintenance free.
- Low profile contributes to uncluttered look on tee box.
- Hinged lid keeps mix dry and accessible.
- 5 gal. plastic inner liner easily removable for cleaning, filling or changing. Includes 8 oz. scoop.
- 19"L x 15"W x 13"H

Weight: 30 lbs.

#3420 - Hunter Green
#3421 - Black
#3422 - Dark Redwood
#3423 - Caramel

ROLLER KIT

- Roller Kit can be easily mounted to many of the Par Aide recycled plastic units, enabling them to be "rolled" rather than picked up to move (can mount to Trash Pro 10, Range Pro, Divot Pro and Divot Pro Jr.).
- 2 wide rollers distribute weight evenly for easy movement.
- Reduces back strain.

Weight: 21 lbs.

#3425 - Roller Kit

TRASH PRO 10

- Hinged lid permits easy removal of 10 gal. plastic can (included).
- Accepts 10 gal. plastic trash can liners.
- 18"L x 14"W x 33"H

Weight: 46 lbs.

#3820 - Hunter Green

#3822 - Dark Redwood
#3823 - Caramel

TEE PRO

- Unique, innovative design.
- Maintenance free — no need to paint.
- Uses same agitator and brush assembly as all Par Aide Ball Washers.
- No tools needed to clean and fill.
- Two mounting options — single 4" x 4" post or double 4" x 4" post.
- Holds 1.5 gallons of water.
- 24" x 14" x 13"
- Patented Design.

Weight: 32 lbs.

#3200 - Hunter Green
#3201 - Black
#3202 - Dark Redwood
#3203 - Caramel

Weight: 15 lbs.

#3250-00 - Single-Post Mounting Kit - Black
#3250-02 - Single-Post Mounting Kit - Green

CLOCK KIT

- Comes complete with outdoor clock and mounting kit.
- Pre-drilled holes in mounting bracket enables clock to be mounted to any Par Aide recycled plastic unit (Water Pro, Trash Pro's, Divot Pro's, Range Pro, Tee Pro Ball Washer).

Weight: 4 lbs. each

#3690 - Clock Kit

Recycled Plastic Accessories

CLOCK PRO
- Keeps players aware of the pace of their rounds and tee times.
- Perfect for first and tenth tees and driving range.
- 100% recycled plastic.
- 26 in. tall.
- Available with one or two clocks.

Safe-Tee Water Fill and Dispense System

Worry About The Weather Not The Water.

Water-handling practices at golf courses are going under the microscope. One of the biggest issues facing golf courses today is providing sanitary drinking water for their guests. To help resolve this problem cost-effectively, Par Aide has engineered a practical solution — Safe-Tee Water. This unique, patent-pending system utilizes a sealed fill hose that injects water directly into disposable liners in a manner that's resistant to outside contaminants both during and after filling. The Safe-Tee Water system is the only NSF-certified system currently available and is the only system that uses a 100% sealed liner. Your safest option has huge advantages:

1. There's no outside contact. Not with air. Not with human hands. Nothing.
2. Safe-Tee Water greatly reduces the labor needed to meet current water cooler sanitation requirements.
3. Alternatives are very expensive and have additional factors to consider:
   - Providing bottled water creates a great deal of waste and can be logistically difficult
   - Installing water fountains may be prohibitively expensive and require ongoing maintenance
   - Spigot shrouds and filtration systems may not meet local health guidelines or NSF certification

4.25 oz. Cone-shaped
(Case of 5,000)

The Safe-Tee Water Fill and Dispense System works easily.

First, the cooler spigot needs a quick conversion to the Safe-Tee Water fill and dispense system pinch valve spigot. Then it's a simple process.

STEP 1
Put an empty liner into the cooler, feeding the fill tube out through the spigot.

STEP 2
Connect the fill system to the water supply and to the liner's fill tube.

STEP 3
Fill the liner.

STEP 4
Close the spigot, disconnect the water supply and trim off the fill tube at the spigot.

HOW TO GET STARTED.
The Safe-Tee Water fill and dispense system is designed to work with ten-gallon insulated coolers. The fill system consists of a coupler that attaches to dedicated water supply; hose; and adapter that connects to the liner's fill tube. Safe-Tee Water spigots are ordered separately. They fit on the most common brands of coolers, easily replacing the original spigots. One-use sanitary liners are available in quantities of 200.

Markers, Stakes and Rope

PAR AIDE

Your players will always know where the out-of-bounds starts and where hazards lie with our markers. Both the Hazard and Out-of-Bounds Markers feature a full 1 ½" x 1 ½" body made of fully color impregnated recycled plastic and a stout 5/16" thick stainless steel spike. There's no maintenance involved because our markers are fade resistant and won't rot. And, they float! Rope Stakes include a unique angled slot to string rope quickly and easily.

Encourages traffic to exit cart paths in different locations to reduce wear patterns.

HIO™ Hole Cutter-Crew Caddy™-Green Saver™

THE ART OF HOLE-CUTTING TAKEN UP A NOTCH

It's been called the best pound-in hole cutter on the market. Now it joins the Par Aide product family giving you a choice of the two best hole cutters available. Superintendents everywhere have been won over by its precision, ease-of-use and time- and body-saving ability. To operate, simply pull out the pin, lift the handle, and the hammer action drives itself into the ground. Enjoy the following advantages:

- Perfectly round holes with clean edges.
- Easy on arms and shoulders — no twisting required.
- Easy for any crew member to operate.
- Powerful action works great on clay based "push up" greens.
- Achieve uniform hole depth.
- Saves time.

PAR AIDE HIO™ HOLE CUTTER

With its patented design, the HIO™ hole cutter means perfectly cut cups that keep greens looking great and playing true, all while saving you time and effort.

#1003-1 - HIO Hole Cutter complete with inside sharpened blade

#1003-2 - HIO Hole Cutter complete with outside sharpened blade

#1009-01 - HIO inside sharpened replacement blade

#1009-02 - HIO outside sharpened replacement blade

THE NEW CREW CADDY™

When it's time to grab your tools and get to work, let Par Aide's innovation go to work for you. It's the new Crew Caddy. And it's the most convenient way to help you organize your greens tools so you can keep everything you need within reach. That's another way Par Aide helps you save time and effort on the course.

- Constructed of durable, lightweight plastic so it's ready for the rigors of the job.
- Ergonomically designed-it's easy to work with.
- Separate compartments make organizing and finding your equipment a snap.
- Ingenious features like hole cutter straps and removable soil containers for added convenience.
- Includes water bottle.

- Separate compartments.
- Convenient Velcro strap.
- Removable soil container.
- Curved edges for carrying comfort.

- Smooth base won't leave marks when placed on greens.

#1038 - Crew Caddy

GREEN-SAVER™ BALL MARK REPAIR TOOL

Keep your greens in shape with this durable, easy-to-use tool. Our Green-Saver quickly repairs ball marks with one simple step. It utilizes an 8-prong design that moves from the outside of the ball mark to the inside. A simple press of the handle sends the first set of 4 prongs into action. Then the second set enters the turf at an angle and closes the turf around the ball mark. The base acts like a tamp to flatten the newly repaired area, leaving a smooth putting surface.

Features include:

- Stainless steel parts.
- Self-lubricating bushing.
- Water-resistant, coated parts.
- Precision laser-cut components.
- Removable tabs on housing allow for easy cleaning by flushing with water.

#1090 - Green Saver

Maintenance and Operations

Over the past 40-plus years, we have learned that cast aluminum is the material of choice when it comes to durability and a long life span for the tools you use daily. That's why we take the extra steps necessary to ensure our greens tools live up to the Par Aide level of excellence superintendents have come to count on.

CUP SETTER
- Cast aluminum powder coated white finish.
- The cup is set exactly 1⅛" below green's surface.

Weight: 2 lbs.

#1031 - Cup Setter

DEPTH GAUGE
Unique single set screw for easy locating, straightening and tightening. Cast aluminum and anodized black, fits all hole cutters.
Weight: 1 lb.

#1034 - Depth Gauge

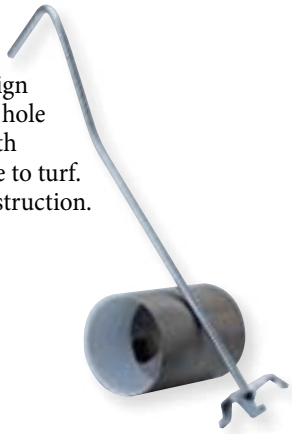
HOLE CUTTER HANDLE WITH BUILT-IN BUBBLE LEVEL
Made of turned hardwood with a recessed bubble level. Straight cup every time, regardless of who's using it—from the novice hole cutter to the experienced veteran. Optional item for all Par Aide hole cutters and fits most major brands.
Weight: 2 lbs. each

#1029 - Hole Cutter Handle

CUP PULLER
- Three-hook design pulls cup out of hole straight, and with ease–no damage to turf.
- Plated steel construction.

Weight: 1 lb.

#1032 - Cup Puller



HOLE CUTTER GUIDE
- Cast aluminum, anodized black 13" x 18".
- Place on green when cutting cup hole.
- Encourages straight cuts – eliminates heel marks – minimizes raised hole edge.

Weight: 6 lbs.

Bunker Rakes

ACCUFORM

ACE II™ BUNKER RAKE

Smoothing out our ultra-lightweight design has made this rake better. And it shows.

- Ends are tapered to reduce unsightly furrows left by rakes with straight ends.
- Available in 17" and 25".
- Impact-resistant, high-density polyethylene — superior Accuform quality.
- Each pass of the rake blends with the pass before and after. • Patented design.

All competitive rake designs leave uneven furrows on the edges (left image). Par Aide's patented Accuform Ace II greatly reduces furrows, leaving bunkers more consistent and smooth.

ACCUFORM

DEEP FACE BUNKER RAKE

The extra-long 8 ft. handle on this rake is perfect for large, deep face bunkers, as it eliminates the need to enter the bunker to perform maintenance. Use this rake to vary your location when raking bunkers to eliminate wear patterns on bunker edges. The long handle, coupled with a 25" Accuform Ace II rake head, makes this the ultimate rake for maintaining your bunkers.

Accuform Deep Face Bunker Rake
#995-7

Par Aide offers a full line of replacement handles and grips as well as decals with rake placement instructions.

FIBERGLASS HONEYCOMB HANDLE

- Offers greater strength.
- Improved UV protection to maximize handle life.

FIBERGLASS HOLLOW HANDLE

- Design is lighter.
- Improved UV protection to maximize handle life.

POWDER-COATED ALUMINUM

- Lightweight yet strong.
- Now available in Sienna Brown or Hunter Green.

PROTECT HANDLE

- Thermoplastic coating.
- Decrease the chance of fiberglass splinters.

Turf and Maintenance Tools

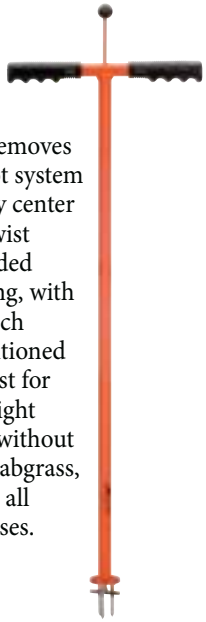
ACCUFORM

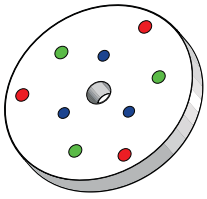
ACCUFORM TURF PLUGGER
This handy tool allows you to easily replace worn, damaged areas with healthy turf. Use it on greens, tees, fairways and ends of cart paths. Also good for weed removal. Removes turf plugs 2⅜" wide by 2½" deep, the ideal size for regrowing turf grass. Features a replaceable cutter blade made from case hardened steel, and a hollow handle that can hold up to 12 plugs. 31½" Tall
#1095 - Turf Plugger

ACCUFORM BALL MARK PLUGGER
This tool helps you remove ball marks on greens quickly and easily. Works great to remove Poa Annua and Goose Grass too. The Ball Mark Plugger removes plugs 1½" by 2½" deep and comes with 3⅛" rubber washers for shallow plug extraction. The hollow handle holds up to 12 plugs. 31" Tall
#1094 - Ball Mark Plugger

ACCUFORM SOIL PROFILE SAMPLER
This exclusive design makes extracting soil samples easier than ever. Our new Profile Sampler gives you an undisturbed soil profile 6" deep, 3" wide and ½" thick. Hinge allows you to easily view the root zone and thatch clearly, with no bolts or screws to get in the way. The innovative design not only keeps the blades from separating when inserted into the turf, but also makes it easier to replace the sample after viewing. 25½" Tall
#1130 - Soil Profile Sampler

ACCUFORM WEED PULLER
Weed removal just got easier with the new Accuform Weed Puller. It removes the weed and the entire root system to prevent regrowth. Simply center the 3 spikes on the weed, twist and remove with springloaded plunger. Made of steel tubing, with replaceable 3-inch and 4-inch steel spikes that can be positioned three different ways to adjust for small and large weeds. Upright handle allows you to weed without bending. Works great on crabgrass, goosegrass, dandelions and all bunch-type weeds and grasses. 41" Tall
#1150 - Weed Puller





1 ½" Hole Large Weeds | 1 ¼" Hole Medium Weeds | 1" Hole Small Weeds

Easily adjustable spikes allow for perfect alignment with virtually any weed.

ACCUFORM SPIKED ROLLER
Excellent for scarifying greens for over seeding and providing the best seed-to-soil contact, this tool is unique to Accuform. Solid aluminum frame and 7/16" polyethylene spikes make it super tough. The 9" roller is recommended for use on greens, while the 18" roller is intended for prepared soils. Comes with a 60" bent orange powder-coated handle with 5" vinyl grip.
#13250 - 9" Spiked Roller with 60" bent Orange Powder-coated Aluminum Handle
#13254 - 18" Spiked Roller with 60" bent Orange Powder-coated Aluminum Handle

ACCUFORM STAR SPIKER
Heavy-duty 12" steel head, with 18 stainless steel star spikes, penetrates soil deeper. Ergonomically bent 54" aluminum handle. Excellent for scarifying greens, for breaking up algae, over seeding and providing best seed-to-soil contact.
#13256 - 12" Star Spiker with 54" bent Orange Powder-coated Aluminum Handle

ACCUFORM GREEN EDGER
The ideal tool for keeping your greens and surrounds looking perfect year-round. It allows you to keep definition between greens and surrounds and prevents two different turf types from migrating and blending into each other.
#13260 - Accuform Green Edge
#13261 - 3 Pack of Replacement Blades

- Coring Tool
- Ball Mark Repair Tool
- Scissors
- File
- Knife
- FID — Rope Splicer

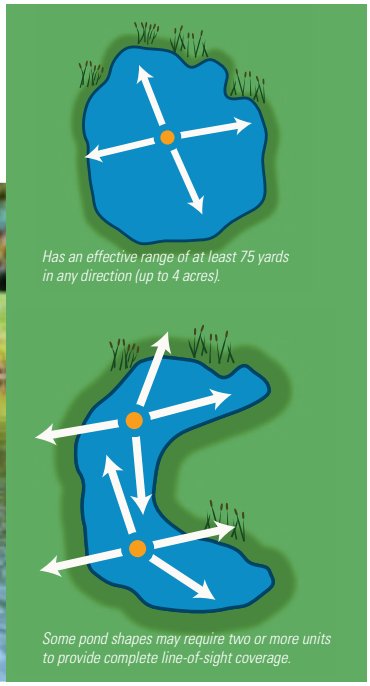
#1035 - Superintendent Tool II

Away With Geese™ Whipping Poles / Safety Net

AWAY WITH GEESE — A LONG-TERM SOLUTION

One goose can leave two to four pounds of droppings on a golf course every day. Now there's a safe way to get rid of them. Away With Geese is the most effective, humane, and environmentally friendly way to eliminate your geese problems. The unit is solar powered and emits an amber-colored light, disrupting the sleeping pattern of geese, ultimately encouraging them to move to a new location. It will also keep geese from congregating during molting season, migration and other times of the year. A single unit will effectively protect an area of 4 acres. It protects the property continuously each night with no maintenance. There is simply no other method available that measures up in effectiveness, safety, cost or reliability. For best results: Away With Geese should be placed in northern climates as soon as the ice breaks from the ponds. In the transition zone and southern climates, Away With Geese should be left in ponds year-round.

- Used over the course of 1–2 seasons you will notice a dramatic decrease in geese population on the ponds you equip with this product.
- Please note: While Away With Geese will be very successful as part of a long-term solution for geese control, results may vary as it is impossible to predict how each individual goose will react to this system.



Has an effective range of at least 75 yards in any direction (up to 4 acres).

Some pond shapes may require two or more units to provide complete line-of-sight coverage.

AWAY WITH GEESE
Replacement parts available. Contact dealer for details.
#7200 - Away With Geese

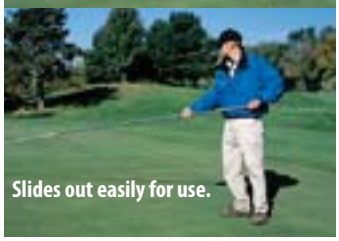
WHIPPING POLES

Choose between two lightweight, durable whipping pole models for removing dew and worm casts from greens.

- Each whipping pole offers two-piece design, with a lightweight anodized aluminum handle.
- Each whipping pole has a durable, 8 ft. tapered fiberglass tip.
- On our original whipping pole, the handle and fiberglass tip are secured together by two thumb screws.
- On our E-Z Whip design, the fiberglass tip slides inside the handle during storage and transportation and easily extends out for whipping.

#1040 - Original Whipping Pole

Parts (Not shown)
#1045 - Fiberglass Tip (includes coupler)
#1046 - Handle with Hand Grip
#1047 - Rubber Grip
#1048-4 - Thumb Screw Package of 4
#1049 - Coupler for Tip



Fiberglass tip slides in and out of handle (cut-away view).

#1067 - Rubber Grip

SAFETY NET

The 6½ ft. x 6 ft. net provides ample protection for employees doing work in the line of fire. Its collapsible frame has aluminum uprights with fiberglass upper and lower cross pieces and heavy duty "step-in" stakes that secure the uprights. The net is high-strength polypropylene with high-visibility safety yellow borders. Literally set up in seconds!
#1100 - Par Aide Safety Net

Signs and Core Buster® Drag Mat

Straightforward, portable instructional signage made of Lexan plastic for durability.

- Tough, polycarbonate stakes attach to the signs with industrial-strength, double-sided tape.
- Available in Hunter Green and yellow, the 6" x 11" highly visible, yet unobtrusive signs feature modern graphics that are reverse-screened on the back side to prevent unsightly scratches.

LEXAN SIGNS
Green or yellow, with stake.

CORE BUSTER® DRAG MAT

Our innovative Core Buster Drag Mat breaks up cores easier, faster, better. Made of durable polyethylene, it's safer on your turf than steel mats. The interlocking 20" x 20" x 2" grid panels let you create a variety of sizes, so you can add or subtract to fit your fairways, tees and greens. Plus, the Core Buster is durable and rust free, and the panels are stackable or can be hung for easy storage. Also works great for breaking up grass clippings, dragging in top dressing on greens, and working in seed when overseeding. Easily handled by one person. Watch video on paraide.com and see how.

#1080-12 - Draw Bars
Single Section Only, Complete

#1081 - Core Buster Drag Mat I
160" x 60" (8 panel x 3 panel)
Includes 24 panels,
draw bar and all hardware.

#1080 - Core Buster Drag Mat II
100" x 60" (5 panel x 3 panel)
Includes 15 panels,
draw bar and all hardware.

#1080-10 - Individual Panel 20" x 20"

•Now made from galvanized steel for added strength

#1080-11 - Hardware Kit
Includes 4 eye bolts, washers, nuts, and 4 quick clips.

GOLF COURSE ACCESSORIES

Dura-Flex™ Signs

These incredibly popular, super durable signs are made from molded resin, making them virtually unbreakable. Attractive and easy to read, the Dura-Flex Signs are designed to flex and resist whatever abuse comes their way. They're held firmly in place by beefy U-shaped stainless steel spikes, molded into the sign bodies. They're designed to maintain high legibility for years to come and require minimal upkeep.

FEATURES

- 3-D molded-in letters means printing will not scratch off.
- Corrosion-resistant spikes are formed by a single U-shaped, stainless steel rod, molded into the resin for maximum strength.
- Flexible and impervious to damage from balls and carts.
- Clear coated for fast and easy cleaning.
- Large, easy-to-read lettering.
- 10½" x 5½" (not including spike).
- Available in popular color options.

Ball Washers

CENTURY BALL WASHER

For just the fourth time in Standard Golf's history, we're offering a new ballwasher, because simply put, the Century Ball Washer is our best ever. We took the most useful features of our Classic Ball Washer, like the no-splash crank design and long-lasting nylon cleaning bristles, and put them in a tough housing with thicker walls of the most durable composites. The Century will look and perform great for years to come.

What else will you like about the Century Ball Washer?

- Convenient slot for our new effervescent SparKleen™ detergent tablet.
- Built-in overflow tube that keeps the fluid level below the crank and the outside of each unit neat & clean.
- New design drains quickly and completely —no sludge collection in the bottom.
- Stainless steel machine bolts that won't seize make maintenance a snap.

INSTALLATION

- Order as part of our complete tee consoles.
- Mount on our tripod Ball Washer Stand.
- Attach to any 2⅜" O.D. post.

Weight: 6 lbs.

ENGRAVE YOUR CLUB LOGO FREE!

Order nine or more Ball Washers, and we will laser engrave your club logo on lid in your choice of color at no additional charge.

CART-MOUNTED SEED & SOIL CADDIE

- Compatible with all brands of golf carts.
- Mounts to each side of the cart.
- Hardware included for mounting to either a vertical or horizontal brace.
- Molded plastic bottle and holder.

Bottle size: 3½" diameter x 13" high.
Bottle capacity: 40 oz.
Weight per carton: 1 lb.

#18950 - Black
#18952 - Replacement Bottle

SEED AND SOIL BOTTLE RACK

Keep up to 30 Seed and Soil bottles ready to go in two removable crates. Locate the rack between the 9th green and 10th tee to remind players to exchange for a full bottle. The lightweight, removable crates make it easy to transport bottles to your storage area.

- Removable crates hold 15 bottles each.
- Powder-coated steel rack for years of use.
- Stand is portable, easy to assemble.
- Extra crates, bottles available.

Bottle size: 3½" diameter x 13" high.
Bottle capacity: 40 oz.
Weight: 55 lbs.

#18980 - Seed and Soil Bottle Rack complete (30 bottles included)
#18952 - Replacement Bottle

STEEL TEE DISTANCE MARKERS

- Permanent marker for the exact tee to green measurement.
- Brightly colored for high visibility.
- Constructed of flat, 16-gauge steel.
- ½" lip can be easily stepped into the ground.
- Screw-in, galvanized spike.

Size: 6½" diameter. Weight: 1 lb.

#09250 - Red
#09251 - White
 # 09252 - Blue
 # 09253 - Yellow

RECYCLED RUBBER TEE DISTANCE MARKERS

- Permanent marker for exact tee to green measurement.
- Available in two sizes: 8" and 11" diameter.
- Made from recycled tires.
- UV-resistant colors.
- Won't rust, chip or damage mowers and trimmers.
- Steel spike holds marker in place.

Personalize Your Flags

If you can think it up, we can make it happen. We design custom flags every day, using everything at our disposal — from double-sided screen printing to individualized numbering — to create unique looks for courses all over the world. Follow the steps below to determine your order total.

SCREEN PRINTING

1 CHOOSE YOUR FLAG STYLE & COLOR

Look through the charts on page 108 to find your favorite color and style of flag, then record the product number.

2

Number of colors in your logo	
One-Color	#21011
Two-Color	#21021
Three-Color	#21031
Four-Color	#21041
Five-Color	#21051
Six-Color	#21061
Seven-Color	#21071

3 ADDITIONAL OPTIONS

Double-Sided Customization

You can screen print or embroider your logo on both sides of the flag for unparalleled visibility — your logo will read correctly from both sides.

#21375 - Screen Printing
Embroidery: call for specialized quote

4 ONE-TIME ART CHARGE

Screen Printing

Art charge is waived on orders of 4 sets (36 flags) or more with the same logo or if your artwork is provided in vector format.

#21300 - Full Art Charge
For logos being printed for the first time.

#21310 - Partial Art Charge
For changes in previously printed orders and date changes

EMBROIDERY

1 CHOOSE YOUR FLAG STYLE & COLOR

Look through the charts on page 108 to find your favorite color and style of flag, then record the product number.

2 CHOOSE YOUR QUANTITY

Embroidered & Personalized Flags		
	Non-Checkered Styles	Checkered Styles
12-35 Flags	#21700T	#21750T
36-59 Flags	#21701T	#21751T
60-143 Flags	#21702T	#21752T

3 ONE-TIME EMBROIDERY CHARGE

Embroidery

For first-time embroidery projects, we'll need to digitize your logo and determine the number of stitches it will require.

#21790 - Up to 30,000 stitches
#21791 - From 30,000 to 100,000 stitches

Cups and Accessories

You'll find our cups on courses all over the World

RIJI CUP

- Brilliant white.
- Made from rugged engineer grade polymers for resistance to chemicals.
- Tapered sides allow easy removal.
- 9 per carton.
- Meets all USGA regulations.

Size: 6" high x 4¼" dia.
Weight per carton: 6 lbs.

#18200 - Riji Cup

ALUMINUM CUP

- Easy to set and lift.
- Constructed of high grade aluminum.
- Stark white powder-coated finish for better visibility.
- Corrosion-resistant.
- Virtually unbreakable. • 9 per carton.
- Meets all USGA regulations.

Size: 6" high x 4¼" diameter.
Weight per carton: 14 lbs.

#18303 - Aluminum Cup

CUP SETTER

- Automatically set the cup 1" below the surface of the green as specified by the USGA.
- Set it, step on it and lift it out.
- Flattens and smooths adjacent turf.

Weight: ½ lb.

#30100 - Cup Setter

CUP BRUSH

Touch up your cups for a look that players will notice. This brush thoroughly scrubs cups, and our Cup Caddie™ (right) can be used to transport them for cleaning.

#18050 - Cup Cleaning Brush

PRACTICE GREEN CUP

- Constructed of molded plastic.
- Stronger webs for eliminating warping and assuring a consistently round, easy-setting cup.
- Precise inside tolerance holds the practice green marker securely in place.
- 9 per carton.

Size: 4" high x 4¼" diameter.
Weight per carton: 4 lbs.

#18100 - Practice Green Cup

ALUMINUM PRACTICE GREEN CUP

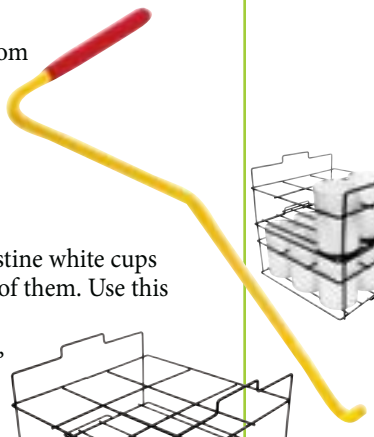
Made from Bonderite Aluminum. Most chip-resistant coating around. Beveled bottom edge for easier insertion and removal.

#18150 - Aluminum Practice Green Cup

CUP HOOK

Makes removing cup from green clean and easy.
Weight: ½ lb.

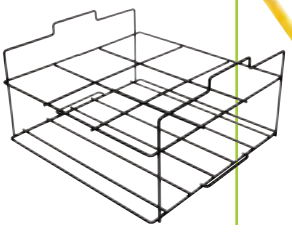
#33200 - Cup Hook



CUP CADDIE™

Details matter. And pristine white cups on your greens are one of them. Use this caddie to transport and rotate cups for cleaning, and show off your attention to detail. Your players will notice, and your cups will last longer.

#18990 - Cup Caddie



ST 2000 CUP

The latest Innovation in non-stick technology. The new design allows soil to pass down the sides and through the cup. This keeps the cup's socket dirt free and eliminates the ferrule from sticking. Flag stick is held firmly in place.

- Available in plastic and aluminum.
- Designed for smooth ferrules only.
- 9 per carton.

Size: 6" high x 4¼" diameter.
Weight per carton:
7 lbs. Plastic. 17 lbs. Aluminum

#18222 - ST 2000 Plastic Cup
#18333 - ST 2000 Aluminum Cup

CUP COVERS

- Rotate cup covers instead of cups during low play seasons.
- Designed for use with regulation size cups.
- Fits flush with top of green.
- Keeps hole free of top dressing material and debris.

Size:
1" high x 4¼" dia.
Weight: ½ lbs.

#18500 - Cup Cover

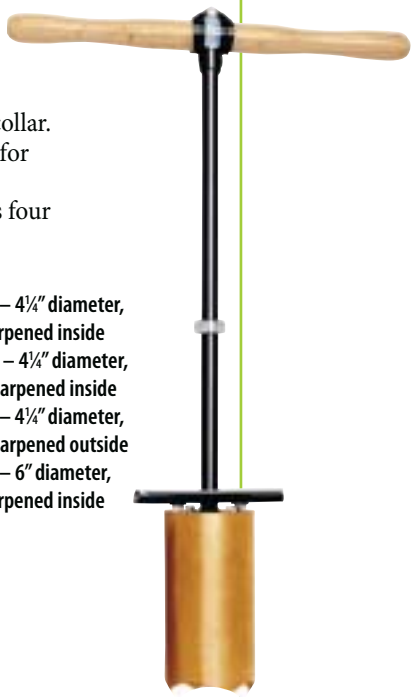
Hole Cutters

PRO II HOLE CUTTER

Since every course is different, we designed our Pro II Hole Cutter Shells so you can order one that's right for your conditions.

- Hot-rolled tubing with carbon steel shaft and sturdy ash handle.
- All parts are interchangeable and replaceable.
- Foot ejector only.
- Adjustable depth collar.
- Replaceable shells for different soils.
- Scalloped shell has four cutting points.

Weight: 10 lbs.



#28700 - Pro II Hole Cutter – 4¼" diameter, Straight shell sharpened inside
#28800 - Pro II Hole Cutter – 4¼" diameter, Scalloped shell sharpened inside
#28801 - Pro II Hole Cutter – 4¼" diameter, Scalloped shell sharpened outside
#28775 - Pro II Hole Cutter – 6" diameter, Straight shell sharpened inside

MAGNUM™ HOLE CUTTER

Our Magnum delivers a clean, precise cut each and every time.

- Convenient one-piece hand-ejector.
- Lightweight, yet extremely durable.
- Machined pivot points for smooth and dependable operation.
- Scalloped shell has four cutting points.

Weight: 10 lbs.

#28960 - Magnum Hole Cutter – Straight shell sharpened inside
#28970 - Magnum Hole Cutter – Scalloped shell sharpened inside
#28980 - Magnum Hole Cutter – Scalloped shell sharpened outside

DEPTH GAUGE

Our precision Depth Gauge assures consistently accurate hole depth every time. Easily attaches to our Magnum™ or Pro II Hole Cutter to assure accurate depth of cut every time. Works great on practice greens. It fits the Par-Aide® model too.

Weight: 0.5 lb.

#28600 - Depth Gauge

HOLE CUTTER GUIDE

This strong, yet lightweight aluminum platform protects your greens from twisting feet or other aggressive hole cutting action and ensures a perfectly cut hole, every time. Black powder-coated finish.

Weight: 5 lbs.

#28500 - Hole Cutter Guide

Straight Shell

Scalloped Shell

DIFFERENT SHELLS FOR DIFFERENT SOIL CONDITIONS

Inside sharpened blades compact loose soil into the cutter for better dirt transfer. Outside sharpened blades are better for heavier soils and are more easily sharpened. Use straight shells for normal soil or scalloped shells for heavier soil. All are precision-lathe sharpened for a perfect cutting edge. 4¼" shells fit either the Magnum or Pro II models.

MAGNUM AND PRO II REPLACEMENT SHELLS

Size: 4¼" Weight: 2.4 lbs.

#28927 - 4¼" Magnum and Pro II Straight shell sharpened inside
#28952 - 4¼" Magnum and Pro II Scalloped shell sharpened inside
#28953 - 4¼" Magnum and Pro II Scalloped shell sharpened outside

Hole Cutters / Sharpeners

STANDARD GOLF COMPANY

SHARPENER
For clean, sharp hole edges in your green, give your hole cutter shell a few passes every day with this handy tool.

- Keeps scalloped or straight cutter shells sharp.
- Sharpens shell edge inside or outside.
- Easy to use and very economical.

Weight: 0.09 lb.

#28400 - Hole Cutter Shell Sharpener

HOLEMASTER™ HOLE CUTTER
If you have hard soil or "push-up greens," then the heavy-duty Holemaster is for you. Its durable blades are case-hardened with reinforced webs and backing plates, making it easier to cut cleanly and neatly through tough soil. This unique design uses side pins on the handle to lock in the cutter shell for easy extraction. Use a rubber mallet to drive the blade halves.

Size: 4¼" Weight: 14 lbs.

#28350 - Holemaster Hole Cutter
Weight: 1 lb.

28352 - Holemaster Replacement Blade (1/2 Blade)
Weight: 2.5 lbs.

28102 - Rubber Mallet

28350 28352

TURFMASTER HOLE CUTTER
Here's the precision tool for cutting holes — with only minimal disturbance to your turf's valuable root system. The Turfmaster even fills the old hole without adding or removing soil! The razor sharp blades won't compact the soil. Plus, they make a clean incision for minimal damage to putting surface.

Size: 4¼"
Weight: 10 lbs.

#28000 - Turfmaster Hole Cutter
Weight: 1 lb.

28002 - Turfmaster Replacement Blade (1/2 Blade)
Weight: 2.5 lbs.

Magnum Tool Line

Think about how much you use the tools around your course, and how much abuse they take, day in and day out.
The Magnum line of tools, the best built, is the most durable line of tools you'll find anywhere. Specially designed to stand up to whatever abuse you can dish out, and still get the job done, year in and year out.
What sets the Magnum line apart from other tools?

- Constructed from high-grade aluminum/ magnesium alloy for incredible lightweight strength.
- Twist and gusset bracing adds strength and eliminates head to handle wobble.
- Texture, powder-coated aluminum handles improve grip and keep hands clean.
- Head to handle intersection features an aluminum core for extra toughness and rigidity.
- A wide selection to meet any need on your course.

MAGNUM STRAIGHT TOOTH MAINTENANCE RAKE

A great, multifunctional rake you can use all around your course. Ideal for construction and repair work. Use the long teeth for grading, then flip to use the straight edge for leveling.
66" straight handle.

PART #	HEAD WIDTH	WEIGHT
#71124	24″	3.8 lbs.
#71130	30″	4.2 lbs.
#71136	36″	4.9 lbs.
#71142	42″	5.3 lbs.

MAGNUM ROLLER SQUEEGEE

Ideal for removing water from greens, tees, fairways or any other groomed turf surface. Double brace system allows maximum downward pressure. Dense, non-absorbent foam rubber head removes water from any surface. Heavy-duty stainless steel axles, bolts, and lock washers secure the industrial-grade end caps. 57½" bent, ergonomic handle.

PART #	HEAD WIDTH	WEIGHT
#71324	24″	7.0 lbs.
#71336	36″	8.4 lbs.
#71348	48″	9.8 lbs.

MAGNUM STRAIGHT-EDGE SQUEEGEE

Keep your shop floors dry. Works great on cart paths to remove puddles. Heavy-duty rubber edge. 66" straight handle.

PART #	HEAD WIDTH	WEIGHT
#72224	24″	5.5 lbs.
#72236	36″	6.5 lbs.

MAGNUM LUTE

Quickly removes aeration plugs from your greens or tees. Reversible blade gives you the choice of push or pull method. Ideal for spreading top dressing in small areas.
66" straight handle.

PART #	HEAD WIDTH	WEIGHT
#71424	24″	4.4 lbs.
#71436	36″	5.3 lbs.

TUFFORK

Great for spreading mulch, picking up grass clippings and more.
54" straight handle. Weight: 2.4 lbs.
#71900SG - Tuffork

MAGNUM MAXIMUM DUTY BROOM

28" all-aluminum head with two rows of replaceable bristles. Sweep with bristles, then flip to use scraping edge to remove caked-on materials. If bristles are too stiff, simply remove one row of bristles to soften. One of the strongest heavy-duty brooms on the market. 57½" bent, ergonomic handle. Weight: 6.5 lbs.
#72125 – Magnum Maximum Duty Broom

MAGNUM SPIKED ROLLER

Quickly prepares surfaces for light overseeding. Excellent for light aeration of greens and tee boxes. Breaks up moss and algae. Heavy-duty stainless steel axles, bolts, and lock washers secure the industrial-grade end caps. 57½" bent, ergonomic handle.

PART #	HEAD WIDTH	WEIGHT
#71708	8″	4.4 lbs.
#71716	16″	5.3 lbs.

Magnum Tool Line

STANDARD GOLF COMPANY

BAG CADDIE

From Standard Golf, one of the most economical and easy to use! The sharpened spikes let you step it into place easily. Holds any size bag, from a junior's to a pro's. After

GREENSKEEPER BALL MARK REPAIR TOOL

Repair ball marks on your green without bending or crawling around. Meticulously lifts dirt and grass back into place for near flawless repairs on your greens. Weight: 4 lbs.

#27200 - Greenskeeper

RANGE MATE CLUB WASHER

Your players will appreciate the performance of the Range Mate Club Washer, and you'll appreciate the maintenance-free construction. It's gentle brushes clean both woods and irons quickly and effectively — without messy splattering. Put one on the practice tee, at the bag drop, on the first and tenth tees and in the club storage area.

- 9-gallon polyethylene container.
- Available in Gray Granite or Hunter Green.
- Use with SparKleen™ Ball Cleaner Solution.
- Solid wire stand holds securely in place.

Weight: 20 lbs.

#01600 - Gray Granite
#01650 - Hunter Green

DRAG BRUSH

- Gently, evenly works top dressing material into the green.
- Helps control thatch when used before mowing.
- Extensions provide a wider swath and are hinged to float over uneven areas.
- Comes with weight racks to reduce vibrations and help follow undulations.

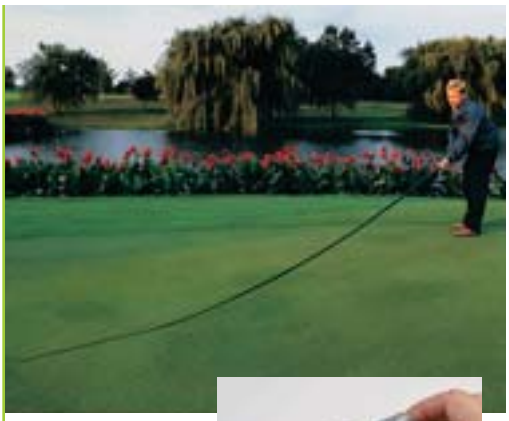
Size: 54½" x 26". Weight: 25 lbs.

#52000 - Drag Brush (without Extensions)

Set of Two Extensions

Size: 27" x 26" each. Weight: 25 lbs.

#52050 - Set of Two Extensions



DU-WHIPPER

Precision fiberglass pole telescopes from 6' to 16' to brush away morning dew, worm casts and bunker sand. Now with a threaded end cap that won't fall off! Weight: 2 lbs.

#34200 - Du-Whipper

WEED WAND

For precision chemical application around flower beds and other tight areas, trust the accuracy of the all-new Weed Wand. The lightweight, 37" wand is designed to minimize spills and make refilling easier, while the applicator tip precisely controls chemical flow and eliminates overspray. Replacement tips also available.

5¼" diameter

29700 - Weed Wand
29701 - Replacement Tips (5 per pack)

Kolorcan™- Commercial Quality Trash Containers

Our commercial quality trash bins will last for years outdoors in any weather. They will not fade, rust or crack. The molding process we use is very flexible. We can easily mix custom colors and mold any of those colors in plain or simulated granite textures. The 42 gallon receptacle features a separate liner, four molded in handles and a swing door that stays shut and requires no maintenance.

Kolorcan™ is made from recyclable plastics which is a great way to reduce your carbon footprint.

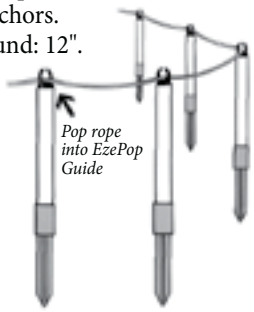
FLEX FENCE

A safe, cart proof marking system for paths and crowd control. No pins, studs or other protrusions that can be broken off by passing carts. For permanent or temporary use. For permanent use, set in FlexAnchors.
Height above ground: 12".
Weight: 3½ oz.

#42950 - Blue
#42951 - Green
#42952 - Red
#42953 - White
#42954 - Yellow



FLEX ANCHOR

New high visibility surface ring sheds water and dirt. Anchor for all standard FlexStake hazard and fence posts. Aligning grooves automatically lock anchor in place.
Weight: 2 oz.

#42960 - Black
#42961 - Blue
#42962 - Green
#42963 - Red
#42964 - White
#42965 - Yellow

FLEX SET

Drills correct size for all FlexStake products. Made of high carbon steel with a shrunk-on rubber hand grip. 24" long. Weight: 2 lbs.

#42885 - Flex Set

TIP

Drilling in an anchor is a lot easier than digging it in. One or two charges can drill all the holes you'll need for an 18 hole course, and you'll be finished in a hurry

Kirby Markers and Yardage Poles

Complete line of fairway and tee yardage markers
The visible yardage marker just got more visible.

Add some class to your tees with Kirby Tee Markers. Choose any color (including the original green) and display the hole number and the exact distance from tee to green. Since they're above ground, your golfers instantly know total yardage for the hole—a must for par 3's.

Photo used by permission of Pebble Beach Company

- Patented collapsible markers in traditional colors—red, white, blue, yellow and black.
- Choose the complete Kirby Marker System in original green, used bt thousands of courses worldwide to speed up play, build revenue and increase golfer satisfaction.
- Easy to install and maintain. Design allows mowers and golf carts to drive right over.
- Collar can be customized with logo for sponsorship revenue. Call for details

#59400 - Red Kirby Marker
#59401 - White Kirby Marker
#59402 - Blue Kirby Marker
#59403 - Yellow Kirby Marker
#59404 - Green Kirby Marker
#59405 - Custom Numbered Kirby Marker
#59406 - Black Kirby Marker
#59416 - Installation Kit, (includes turf cutter and pound plate only)

When ordering green markers, be sure to specify white or yellow numbers.

The Kirby Marker System

STRIPED YARDAGE POLES

Distinct, trouble-free distance markers for your range or golf course. Ideal for Fairway Markers.

Striped yardage poles are 3½" in diameter for easy visibility Available in five standard colors: Yellow/White, Black/White, Green/White, Blue/White, and Red/White. Choose from 2 heights (4'or 6') and specify color stripe pattern. Comes with one 12" PVC ground anchor for easy installation and removal. Marker inserts 1' below ground.
Weight: 7-13 lbs.

#77265 – Striped Yardage Pole, 4′
#77270 – Striped Yardage Pole, 6′

THE KIRBY MARKERS SYSTEM

GOOD

Traditional red, white, blue and yellow—unnumbered down the middle at 50-yard intervals. Because they're above the turf (and can be mowed right over) they're visible from any direction. No more hunting for below-the-ground disks or painted bricks. No more removing stakes to mow fairways and roughs. An average course takes 42 fairway markers for a single row at 50 yard intervals.

BETTER

Red, white, blue, yellow down the middle with our original green markers filling in the gaps. Kirby Markers at 25-yard intervals eliminates time consuming pacing. OR both sides of the fairway, red, white, blue, yellow. Not everyone hits it down the middle and this placement gives the golfer a more accurate yardage from the left or right and eliminates guessing on doglegs. A typical course uses 84 markers for a single row at 25 yard intervals or double row at 50 yard intervals.

BEST

Original green markers, with yellow or white numbers, on both sides of the fairway at 25-yard intervals. The fairway cut provides the perfect reference for markers to be spotted from 15-20 yards. No more hunting for randomly placed sprinkler heads, or pacing from bushes or discs 50 yards apart. Invisible from the tee area, yet right there when you need them. A typical 18 hole system uses approximately 160 fairway markers for a double row at 25 yard intervals.

Golf Cart Accessories

GOLF CART TOWELS

#94408

CONTEST INDICATORS AND PROXIMITY MARKERS
Contest Indicators and Proximity Markers make organizing contests and special events easier. The Contest Indicators stand at the tee announcing the contest for that particular hole. The Proximity Markers are placed on the fairway or green marking the longest drive, longest putt, the shot closest to the pin, or any other contest your group may have. A grease pen is permanently attached to the back of Proximity Markers and is included with Contest Indicators. Markers are easily wiped clean for the next contest. Choose from a generic design or customize with your logo.Weight: 1 lb.

#10602 - Generic Contest Indicator
#10622 - Custom Contest Indicator
#10600 - Generic Proximity Marker
#10620 - Custom Proximity Marker

Logo Imprint Area: 2½"W x 1¾"H
Cleaning Tip: Use a clean, dry cotton or paper towel. For tougher situations, try any household cleaner

PROXIMITY MARKERS
Placed on the tee, fairway or green, these proximity markers can be used to mark hole contests such as "Longest Drive", "Closest to the Pin" and "Longest Putt". Four markers per set. Each set contains: Four markers with pencil holders. Four packs of double-sided cards (25 each) printed with LONG DRIVE on one side and PROXIMITY on the other.
Size: 29" x 7½" x 2½". Weight: 6 lbs.

#10700 - Proximity Marker Set
#10701 - Replacement Cards (25/per pkg.)

MERCHANDISING CANS

Our search for a unique "odds and ends" holder for your golf shop led us to these charming antique roving cans. Used at the turn of the century by the textile industry for transporting yarn, we think you'll find them still as useful 100 years later! The decorative golf motif we've applied to the front makes them perfect for your shop. A great container for umbrellas and clubs. Put in a false bottom, and it's a great place to hold balls, tees, socks and other items. Makes a terrific resale item too!
36"H x 10"W. Weight: 7 lbs.

LOCKING CLUB DISPLAYS
A smart way to protect your investments. The new way to safely protect your valuable clubs from theft. Our panels are designed with a thick core plastic rod which is safe on all shafts. It firmly locks in the club to the display and can't be removed. A lock with key is at the end of each panel. Key stays with the store manager.

- Simply open the lock, slide the safety rod down, and clubs become accessible only to store employee or manager.
- Our displays can also be custom made to your specifications. Let us know the style of the club display, the number of panels, and the number and size of clubs you want to hold in each panel. We'll do the rest! Call 1-800-869-1800 for ordering information.
